## EDUCATION

NEW YORK UNIVERSITY— New York, NY  
B.A. Mathematics, December 2012  
STUYVESANT HIGH SCHOOL— New York, NY  
Honors in Fine Arts, June 2009

## WORK

DRESSLER LLC— New York, NY  
March 2013 - August 2013: Junior Developer  
Created responsive websites for clients using HTML/CSS. Worked with CoffeeScript and Spine.js on front-end of company product, set up email confirmation and user account options to communicate with the API.

AGROWCULTURE— New York, NY  
October 2012 - March 2013: Developer  
Set up Mailchimp client, used NYC Open Data to reconfigure the map, implemented minor site redesign.

BLOOMBERG LP— New York, NY  
June 2012 - August 2012: Financial Software Development Intern  
Built three screens for Tradebook team on the Bloomberg terminal that allowed the user to query records from tables within the options and pairs trading databases. Rewrote an application originally in C using JS.

RAKUTEN LINKSHARE— New York, NY  
May 2011 - August 2011: Front-end Intern  
Redesigned layout of several pages on the company's new product dashboard, created a large scale entity relational diagram of tables involved in the dashboard.
